

# ASIAN AMERICAN & PACIFIC ISLANDER MONTH

Celebrate the rich history of Asian Americans and Pacific Islanders during the month of May and all year round. This game focuses on the representation of Asian Americans and Pacific Islanders with history, pop culture, and fun facts. Learn about important community figures, inventions, festivals, food, and contributions from the Asian Americans and Pacific Islanders community while having fun together. And, of course, end the game with an AAPI tradition: karaoke.
