

BATTLE ROYALE

GET READY TO GO HEAD TO HEAD IN THE ULTIMATE GAME OF PUZZLES AND DUELS.

WHAT CAN YOU EXPECT?

You and your team will be going Head to Head in duels against other teams (staring contest or hidden talents showdown anyone?) while others will be staging awkward family photos or finding items hidden in plain sight, as fast as they can. Think Pub Trivia on steroids! With an entire website full of photos and videos that you can keep, treasure and bribe each other with at the end. Yahtzee! (Which is pretty much the only game NOT a part of Battle Royale).
