

FRANÇAIS!

NOUS AVONS DES JEUX EN FRANÇAIS.

We've translated our classic Game Show into French and it's a fabuleux way to connect players who prefer speaking in that language. It can be tough to find French interactive games, but we've got your French-speaking or bilingual team covered.

From classic trivia to Fact Match to Pictionary, your team can play entirely en français in-person, or virtually with colleagues around the world.
