

# GINGERBREAD HOUSE

Get into the holiday spirit and tap into your inner architect in our Virtual Gingerbread House Making Class! In this fun, 60-minute workshop, you'll learn how to construct and decorate a festive gingerbread house that makes the perfect holiday centerpiece. Our instructor will guide you step-by-step through the process, making it fun and easy.

Your craft kit includes everything you need: pre-baked gingerbread pieces, pre-made icing, a house base, and an assortment of candies, chocolates, gummies, and sprinkles. With a bounty of decorations, you can let your creativity shine and build the gingerbread house of your dreams.

The finished house measures about 7 inches tall and 6 inches wide, making for a beautiful and delicious decoration you can proudly display all season.
