

LAWN GAMES

DITCH THE TECH; BRING BACK THAT CAMPY FEELING

WHAT CAN YOU EXPECT?

Teams will compete in a series of hilarious challenge stations. Think 'Field Day' with a creative twist. Each station offers a different physical or mental challenge, sure to delight the athlete and non-athlete alike. Players may build towers out of spaghetti, use skateboards and plungers in a relay race, and play a host of more well-known classic camp-style games like potato sack races or tug-o-war.

It's like the World Cup, but no one gets knocked out, and at the end, everyone sort of feels like they won. Except for the first-place team. They definitely know they won.
