

MAY THE FORCE BE WITH YOU

Grab your lightsabers; it's time to battle. Don't worry, you don't have to play (Han) Solo. You'll be assisted by your team as you participate in the best in-person, hybrid, or online Star Wars game out there.

A long time ago in a galaxy far, far away, we themed our classic Game Show with a Star Wars twist. May The Force Be With You is full of mini games based on trivia from across The Empire and other sci fi films.
