

PRESSED FLOWER FRAMES

This craft kit includes four packs of flowers, three metal floating frames, and everything you need to assemble your unique floral artwork. You'll also have the option to add personal touches like photos or mementos. With step-by-step guidance from our instructor, you'll bring your vision to life in no time.

This class is a wonderful way to explore the art of pressed flowers and create something beautiful to cherish or share with loved ones. Whether for a keepsake or a gift, you'll enjoy the process and the finished piece.
