

SILICONE MOLD CANDLE

This kit includes everything you need to get started, from a palm paraffin wax blend to a glass votive and candle dye chips. At the end of this 60-minute class, you'll have three beautifully molded candles! With multiple candles to create, this class is a fantastic activity to enjoy with a friend!

With reusable silicone molds and easy-to-melt wax, you'll craft trendy candles that are perfect for home decor or gifting. Learn layering, ombré effects, and other candle-making techniques with step-by-step guidance from a skilled instructor.
